

Fortress Defense Consultants, LLC

Fortress Defense will be offering a State of Utah CCW Permit course on Saturday, January 22nd, 2011, from 9am to 3pm.

The Utah permit is recognized by 30+ states, including Indiana! This is a great way for Illinois residents to legally carry while traveling outside of their home state.

Utah recently increased their training standards so the class runs longer than it has in the past. However, we are still offering it for the flat \$150 fee. A \$75 deposit is required to hold your spot.

When: Saturday, January 22nd, 2011 9am-3pm	Where: Sharpe Well Drilling 25946 S. Klemme Rd Crete, IL 60417	Cost: \$150 \$75 deposit required to hold your spot.
