

# Fortress Emergency Treatment of Gunshot Wounds

Our one-day Tactical Treatment of Gunshot Wound course is designed to give you the tools and techniques you need to stabilize a gunshot wound for the 3-30min it takes for EMS to arrive. In today's world this is MUST have information for every American!

Ages 16 and up are welcome. This course is for the novice, no medical training is required.

When: **Saturday, February 25th, 9am to 5pm**

Where: 25946 S. Klemme Rd, Crete, IL 60417

What all will need:

- pen/pencil, note taking materials
- Protective eye wear
- Folding knife
- Lunch/snack/beverage (we don't leave for lunch or breaks.)

Additional equipment required for the "live fire" portion:

- Airsoft pistol w/holster or airsoft rifle. Airsoft equipment is available for a \$10 rental fee.
- Hat with a brim, such as a baseball cap.
- DO NOT bring live guns or ammunition into the classroom!

Payment in full is required to hold your spot. \$150 per student.

Checks made out to 'Fortress Defense' may be sent to:
