

Fortress Defense Force-On-Force/Scenario Based Training Saturday, March 10, 2012

Using quality Airsoft equipment and role players, students are run through a series of scenarios and drills designed to challenge the decision making process during potential lethal force situations.

Force-On-Force training gives students the opportunity to put their training into practice against live opponents and "real life" scenarios.

Cost: \$125 Start time is 9am, finish is 5pm.

Required equipment: Quality manufactured airsoft pistol, airsoft pellets (300) and propellant, Airsoft rated full-face shield, hat with a brim, standard safety glasses. [Gloves and layered clothing are recommended] Gas (green/propane) operated pistols are preferred, spring operated and CO2 guns are generally not reliable or robust enough for our purposes. **BRING A LUNCH AND BEVERAGE!**

Airsoft pistols available for a \$20 rental fee.

Class size is limited to 12 students.

Class will be held in Schiller Park, IL, near O'Hare Airport. 9320 W. Irving Park Rd.
